BEVERLY TOMASETTI, RN, BSN, MSN, CRNP

Urology

- Board Certified Family Nurse Practitioner
- Graduate, Masters in Nursing, University of Scranton
- Graduate, Bachelor of Science in Nursing, Marywood University
- Nearly four decades of nursing experience, 14 in Urology
- U.S. Army Clinical Specialist/Sergeant 1st Class 1976-1980

When Tomasetti was in the service, she supervised a troop dispensary and oversaw a staff of 12, which included medics, X-ray and pharmacy personnel. Her love of medicine continued in her civilian life.

At Wayne Memorial Hospital, Tomasetti diagnoses and treats both chronic and acute urological conditions, including cancers, infections and injuries. She can order, perform and interpret diagnostic studies such as lab work and X-rays, as well as prescribe medications and other treatments. Tomasetti is very team-centered for the benefit of the patient and provides the highest quality of care.
