

Kirsten Havira, LPC
Licensed Professional Counselor

Education and Training

- Master of Science Degree, Counselor Education, Marywood University
- Bachelor's Degree, Human Development and Family Studies, Penn State University
- Certified in Affirmative Therapy for Transgender Communities, Widener University
- Certified in Grief Counseling
- Certified in Integrative Sex and Couples Counseling

As a Professional Counselor Kirsten Havira works with clients of all ages. She especially enjoys working with the LGBTQ population and has gone through extensive training to gain skills about how to best support this population. Kirsten also enjoys working with client's who struggle with various mood disorders. She uses an encouraging and empowering approach to help all her clients reach their full potential. Kirsten assists clients in recognizing the impact of past trauma and struggles by helping them overcome these rather than allowing it to define them. She joined Wayne Memorial Community Health Centers in 2018.
