

Neil Petrosky, LCSW
Licensed Clinical Social Workre

- Master's Degree, Social Work, Marywood University.
- Bachelor of Science, Human Services, University of Scranton
- Licensed Clinical Social Worker
- Certified Advanced Addiction Counselor

Neil Petrosky is a Licensed Clinical Social Worker (LCSW) with a passion for helping individuals navigate life's challenges and find their path to well-being.

With a specialization in adolescent and adult counseling, Neil has extensive experience providing support and guidance to adults facing various emotional and psychological issues. He is a Certified Advanced Addiction Counselor, reflecting his commitment to helping those struggling with substance abuse find hope and recovery.

Neil's diverse range of certifications, including Grief Counseling, Motivational Interviewing, and Animal Assisted Therapy, equips him with a comprehensive toolkit to address his clients' unique needs. His compassionate approach and tailored interventions help individuals work through their grief, enhance motivation, and benefit from the therapeutic bond between humans and animals.
